United States Mint to Begin Sales of Ozark National Scenic Riverways Quarter Products on June 5

May 30, 2017

WASHINGTON – The United States Mint will accept orders for products with the America the Beautiful Quarters® Program coin honoring Ozark National Scenic Riverways in Missouri starting on June 5 at noon Eastern Time (ET).

The coin's reverse (tails) design depicts Alley Mill, a steel roller mill built in 1894. This merchant mill was used to convert wheat into flour. Much of the original milling equipment is still in place, and visitors to the park can tour the mill. The obverse (heads) design features the 1932 portrait of George Washington by John Flanagan.

Product options and their prices are as follows:

PRODUCT CODE	PRODUCT OPTION	MINT MARK	PRICE
17ABG	100-Coin Bag	P	$34.95
17ABH	100-Coin Bag	D	$34.95
17ABJ	100-Coin Bag	S	$34.95
17ARG	Two-Roll Set	P and D	$32.95
17ARH	40-Coin Roll	S	$18.95
17ARJ	Three-Roll Set	P, D, and S	$46.95

Coins in the rolls and bags are struck on the main production floors at the United States Mint facilities at Philadelphia, Denver, and San Francisco. The three-roll set contains coins from all three facilities. Unlike the "P" and "D" mint mark quarters, those with the "S" mint mark will not be released into circulation.

The special numismatic wrapping for the coin rolls displays the name "Ozark National Scenic Riverways"; the abbreviation "MO" for Missouri; "$10," the face value of its contents; and "P," "D," or "S" for the mint of origin. The canvas bags have a tag with "Ozark National Scenic Riverways;" "MO;" and "P," "D," or "S."

The Mint accepts orders via its online catalog and at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468). Information about shipping options is available online.

About the United States Mint
The United States Mint was created by Congress in 1792 and became part of the Department of the Treasury in 1873. It is the Nation's sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The Mint also produces numismatic products, including proof, uncirculated, and commemorative coins; Congressional Gold Medals; and silver, gold, and platinum bullion coins. Its numismatic programs are self-sustaining and operate at no cost to taxpayers. The Mint is celebrating its 225th anniversary this year (#USMint225).

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of June 5, 2017, at noon ET, will not be deemed accepted by the United States Mint and will not be honored.
